

## Super-market Karma

-Got somebody's Bounty Paper Towels.  
Didn't return.

But cheated out of item before...  
let's say small jar of pickles!

-So approximate or ambiguous  
scales of justice, ok?

-Has to be!

-So, If a woman loses her lovely  
husband, will another instantly appear?

-Perhaps after a bit.

-Justice delayed is Justice denied!

-Anyway, I use Salvation Army to  
smooth things over in Karma Dept,  
throw in tender! Red kettle in front  
of Winn Dixie.

*You're still a criminal and so on.*

I'm still teased in my perpetually  
amused circle.

*None this vague* I insist!

Dillinger and Babyface having  
much clearer heads.
